In the latter case individuals must be registered in the Board of Physicians and Dentists, and preference will be accorded to those holding a PhD or equivalent qualification.

2. Candidates must hold the above qualification on the date of the deadline for submission of applications.

3. Applicants holding qualifications awarded abroad must attach to the application a copy of the academic recognition (equipollenza) or specific legal recognition (equivalenza) of the equivalence of the foreign qualification to the Italian one issued pursuant to art. 38 of Legislative Decree 165/2001.

6. The requirements referred to in this article shall be met on the date of expiry of the period determined in the call for the submission of the application. 8. The following people are not admitted to the selection:

The Board may at any time decide to exclude the candidate for reasons which make it impossible to conduct the test and to monitor the environment in which the test is taken.
