SELECTION PROCEDURE TO RECRUIT 1 ASSOCIATE PROFESSOR BY CALL REFERRED TO ART. 7 CO. 5 BIS, 5 TER E 5 QUARTER - LAW N. 240 OF 30 DECEMBER 2010 AND TITLE II OF THE REGULATION FOR THE RECRUITMENT OF FIRST AND SECOND LEVEL LECTURERS - ABSTRACT

Art. 1 – ASSESSMENT PROCEDURES

DEPARTMENT OF ECONOMIA POLITICA E STATISTICA
n. 1 POSITION

Academic recruitment field: 13/D2 Economic statistics
Academic discipline: SECS-S/03 Economic statistics

1. The candidates, in possession of the requirements specified in art. 2 will be evaluated on the basis of the correspondence between the project proposal formulated and the teaching, research and/or third mission needs of the Department specified below:

The research and teaching needs are those related to the socio-economic field of Statistics.

In particular, for teaching the interest is focused on applications of sample surveys - also of a longitudinal nature, to data quality, as well as to modelling for categorical data.

With regard to research, specific interest is directed to the statistical analysis and behavioural models relating to second and third level educational systems, and to the evaluation of student performance and of the educational system as a whole.

The project proposal, therefore, must be aimed at the development of these departmental research lines, with original proposals for the use and integration of specific institutional longitudinal databases. Furthermore, this research activity will have to find an adequate impact on teaching, in particular in the context of master's degrees.

2. The projects admitted to the selection will be evaluated according to the following indications:

In the first session, the Commission carefully evaluates the congruence of the project proposals with the disciplinary scientific sector covered by the announcement, as well as with the teaching, research and/or third mission needs defined above.

The evaluations of the admitted projects will be carried out on the basis of the following general criteria, which may be integrated and further detailed by the Commission in the first session:

a. originality, innovation, methodological rigor and relevance of the project itself;

b. level of scientific qualification and competence already acquired by the candidate in the disciplinary field concerned, documented by the curriculum, and relative adequacy with respect to the project proposal presented;

c. analytical evaluation of qualifications and scientific production with particular regard to the impact and dissemination on the reference scientific community and its international relevance.

The project proposal presented will also be evaluated in line with the qualifications held and the
scientific production of the candidates.

Art. 2 – REQUIREMENTS FOR ADMISSION TO THE PROCEDURE

1. The procedure is open to the following candidates:
   a) associate professors already in service for at least five years with other Italian universities.
   b) scholars who are permanently employed in research or teaching activities at university level abroad, holding positions equivalent to the one advertised in this call, according to the equivalence tables defined by the Ministry (Ministerial Decree n. 662/2016 and subsequent amendments).

2. For the purposes of determining the minimum required period of five years of service referred to in paragraph 1, the length of service accrued by the candidates starting from the date of recruitment/appointment in the position they hold at the institutions to which they belong is computed, with the only exclusion of periods of leave or use of other legal institutions for which the national legislation in force provides for a temporary interruption of length of service.

3. The procedure is not open to anyone who:
   a) has a degree of kinship or affinity, up to and including the fourth degree, with a professor from the Department for which the call is issued, or with the Rector, the General Manager or a member of the University Council. Neither is the procedure open to anyone who has a significant ongoing business relationship with any of the aforementioned individuals;
   b) does not enjoy civil and political rights;
   c) has been dismissed or released from a post with the Public Administration or for whom State employment has lapsed pursuant to Presidential Decree 3/1957.

4. It’s necessary to pay 10€, within the term stated in art. 3 co. 1, as a contribution to cover the cost of the Recruitment Process, to complete the application. The payment must be made through PagoPA, following the indications of the platform while the application is being completed. It is recommended to complete and send the application in advance of the deadline. The contribution paid will not be reimbursed in the event of withdrawal of the application or exclusion. If candidates want to resubmit their application - by the deadline for the call - the payment remains valid and can be associated with the last application submitted.

5. Candidates must be in possession of the requirements for admission to the selection procedure by the deadline of this call.

6. All candidates are admitted to the selection procedure conditionally, reserving the right to verify that they meet the requirements for admission to the selection procedure. The administration can, at any time and with justifiable reason, exclude candidates who fail to meet the selection requirements.

Art. 3 - PRESENTATION OF THE APPLICATION

1. Applications for admission to the selection must be lodged using the system PICA - https://pica.cineca.it/unisi - within the peremptory deadline of thirty (30) days from the day following the date of publication of this announcement on the University of Siena online Bullettin Board (Albo on line). If
the deadline of 15 days falls on a public holiday, the period is extended to and includes the next day that is not a holiday.

2. The application and attachments must be in pdf format, the allowed maximum size for each document being 30 MB. For technical issue related to the PICA application contact the technical support on the bottom of the page link https://pica.cineca.it/unisi

3. It’s recommended to access PICA well in advance to consult the "Guidelines for completing the application" and avoid system overloads that may not allow the procedure to be concluded in due time. Any other ways of submitting/sending the application forms are not allowed, under penalty of exclusion from the selection. Additions/modifications to the application after the submission of the application are not allowed.

1. Applicants may access to the system PICA using:
   a) the Public Digital Identity System (SPID - security level 2), selecting the University of Siena. If candidates do not have SPID, they can apply according the procedures indicated on the site www.spid.gov.it, https://www.agid.gov.it/it/piattaforme/spid.
   b) the credentials issued directly by the PICA platform. Such registration will necessarily require the possession of an e-mail address.
   c) the LOGINMIUR account.

For both methods, b) and c), it is necessary to sign the application.

The following documents must be included with the application:

- the project proposal elaborated by the candidate in order to satisfy the specific teaching, research and/or third mission needs indicated in art. 1;
- a signed and dated curriculum vitae containing the list of qualifications, scientific publications and activities conducted;
- a copy of a valid identity document.

2. The applicant will have to declare pursuant to articles 46 and 47 of Presidential Decree no. 445/2000 certifying the truth of all data contained in the application.

3. The applicant furthermore must declare in the application, under their own responsibility:
   - to have no criminal convictions;
   - to have no criminal proceedings in progress;
   - to be registered on the electoral roll;
   - to enjoy civil and political rights in state of citizenship/origin;
   - to have not been dismissed or released from a post with the Public Administration or for whom State employment has lapsed pursuant to Presidential Decree 3/1957;
– to be no retired or currently employed full or associate University professors or researchers;
– to do not have a relationship or affinity up to and including the fourth degree with a professor belonging to the Department or the structure proposing the activation of the contract, or with the Rector, the General Manager or a member of the University Council;
– to be perfectly aware that the Commission will be appointed by decree of the Rector, published, with the validity of notification, on the “Albo on line” and on the University of Siena website;
– to be perfectly aware that the criteria established by the Commission and the list of eligible applicants, identified by id number, will be published, with the validity of notification, on the “Albo on line” and on the University of Siena website;
– to be perfectly aware that the place, the date and the time of the interview, will be published, with the validity of notification, on the “Albo on line”; This information will be given with 20 days notice. The absence of the candidate at the interview (including video conferencing) will be considered as a renunciation of the selection, whatever the cause;
– to be perfectly aware that the Decree of Approval (Approvazione atti) will be published, with the validity of notification, on the “Albo on line” and on the University of Siena website;
– to be perfectly aware that every change of residence and/or contact number and/or e-mail address must be promptly notified to the Ufficio Concorsi (concorsi@unisi.it);

4. It is important to highlight that non-Italian applicants will have to declare to have adequate knowledge of the Italian language.

5. Once the application has been submitted, the candidate will receive an email containing the associated ID number which will identify the candidate's application for the entire competition procedure.

6. The University administration declines any responsibility for the unavailability of the recipient or for the dispersion of communications due to incorrect indications given by the candidate, for failure or late communication of the change of address indicated in the application, or for any postal mismatch or in any case other reasons attributable to third parties, or other unforeseeable the Administration is not responsible for.

Art. 4 – EVALUATION BOARD

4. The Evaluation Board is appointed from candidates proposed by individual Departments and in observance of the Code of Ethics, by Rectoral Decree no later than 60 days after the deadline for applications.

5. The Board is composed of three first-level professors (“prima fascia” or equivalent role in the case of components from foreign universities), belonging to the academic recruitment field or to an academic discipline in the same group of academic recruitment fields. At least two members of the Board must be from outside the University of Siena.

6. The appointment decree is published on the official University noticeboard and on the web page dedicated to the competition procedure.
7. No later than 7 days after the Board’s appointment, candidates can dispute the Board members, indicating their reasons. The Rector decides the dispute. The Rector’s decision is promptly communicated to the candidate.

Art. 5 – SELECTION OF CANDIDATES AND PROPOSED CALL

1. The Board defines the evaluation criteria possibly integrating the general criteria of the art. 1 of the announcement.
2. The Board selects the projects to be evaluated, then proceeds with their evaluation. At the end of the work, the Commission draws up a ranking of suitable candidates and identifies the winner.

Art. 6 - PROCESSING OF PERSONAL DATA AND PERSON RESPONSIBLE FOR THE PROCEDURE

1. We hereby inform that the University of Siena will process the personal data provided by candidates in their application or communicated by candidates with application supplements. Data will be processed, in compliance with EU Regulation 2016/679 on the protection of personal data, for the purposes of selection procedure, possible assignment of job or employment, final ranking list (where foreseen in the competition notice).

The information note on processing of personal data is available at: https://www.unisi.it/ateneo/adempimenti/privacy

2. For the purposes envisaged by Law no. 241/7.8.1990, the Person Responsible for the Procedure of the present competition is the Head of the Ufficio concorsi of this university (concorsi@unisi.it).

3. For all matters not explicitly mentioned in the present call, see the regulations on competitions, in particular the Regulation for Recruitment of First and Second Level Lecturers, Rector’s Decree. no. 1648 dated 3 August 2022.
